

All deliveries are made in accordance with Government health & safety guidelines. The health & safety of our drivers and customers is of the utmost priority to us

For more information please call our transport office on 01274 608900 or visit freightlinkeurope.co.uk

We hope you will be very happy with your kerbside pallet delivery

Here is some information you need to know about your delivery

- We offer kerbside delivery as standard
- Our driver will treat your delivery and property with care and respect
- Our driver will leave the pallet in a safe place but we can't move it to another location
- We are unable to take away any packaging
- Deliveries can only take place on flat smooth surfaces. We cannot deliver on gravel or grass
- Sometimes we encounter challenges that could impact your delivery such as steep inclines, narrow roads or parking restrictions
